Mudgee Business Inclusion Guide

At Lifeskills Plus, we are building a business directory for people with a disability in and around Mudgee, as we find that it is important for people with a disability to feel safe, respected and included in our community.

Do you have a business with staff that will go above and beyond to include and assist people with a disability if needed? If so, we would like to know about you!

Here are some questions that people at Lifeskills would like to ask your business so we can promote you and your services to people with a disability and their friends, family and support people.

- Your name please: _____
- Your business name : _____
- Email address : _____

Inclusion is not a program

Inclusion is a mindset. It is the way we treat others and the way they treat us.

Inclusion is the opportunity to learn together and from one another.

And we do it because it is the right thing to do.
